FELLOWSHIP AWARDED
J. W. WILSON'S NEPHEW
AT HARVARD VARSITY

The following dispatch to the Pitts-
burgh, Pa., Dispatch tells of the
awarding of a fellowship in architecture
to Jean W. Wilson, of Pittsburgh,
a nephew of John W. Wilson, attorney
of Albuquerque:

"Pittsburgh, Pa., May 16.—Jean
Vernon Wilson, of Pittsburgh, has
been awarded the Robinson fellowship
in architecture at Harvard for the
two years 1916 to 1918 on the
merit of his design entitled, 'A Monu-
ment to the Unknown Dead in the
Great War.' Wilson is a student in
the Harvard architectural school and
was given his master of arts degree
at the Harvard commencement of
last June.

"The scholarship or fellowship won
by Wilson is for \$1,000 and provides
for two years of study abroad. On
account of the unsettled conditions in
Europe at present the fellowship is
awarded with the condition that Wil-
son may study at Harvard and wait
until the end of the war before his
trip abroad. The jury on the decision
was composed of Dr. Charles A. Cool-
idge, architect of such famous groups
as the Harvard Medical school and
the Chicago public library, and Guy
Lewell, famous Boston architect, ac-
cording with the instructions of the Har-
vard Architectural school."

THRILLING NOVEL
STORY IN PHOTOPLAY
NOW AT THE LYRIC

"Mr. Grex of Monte Carlo," the
thrilling novel by E. Phillips Oppen-
heim, which will be presented in pho-
togrammatic form at the Lyric theater
today and tomorrow, with Theodore
Roberts and Curlye Blackwell in
the stellar roles, is based on an actual oc-
currence which came under Mr. Op-
penheim's observation while at Monte
Carlo less than two years ago. This
prophesy of the present European
conditions was written several months
before the present war was declared,
but its relations to present conditions
seem most unusual, although Mr. Op-
penheim did not use the exact char-
acters involved. It is a Paramount
Picture.

When this story was published in
serial form in the Saturday Evening
Post it created a great wave of com-
ment throughout the world and the
photogrammatic version is said to be
unusually startling.

One of the greatest acts ever con-
structed on the great Lasky stage in
California was that of the interior of
the grand gambling salon in the
Casino at Monte Carlo. An exact re-
production of the entire lower floor of
the Casino was constructed. Special gam-
ing tables were obtained and the
Lasky company was fortunate enough
to secure a retired Monte Carlo croup-
ier to supervise the correct arrange-
ment of the scene. A number of per-
sons who have visited Monte Carlo
congratulate the Lasky company on
the accurate resemblance to the real
gambling palace.

THIRD SQUAD OF
RECRUITS LEAVES
FOR BORDER DUTY

Eleven New Men for Companies
G and L Swell Total Sent
From Here Since Guards'
Departure to Nineteen.

The somewhat slow but steady en-
listment of men for Companies G and
L, First New Mexico Infantry, the Al-
buquerque units of the national guard,
gave Lieut. Jack Geller, recruiting of-
ficer at the armory, hope that these
organizations may be recruited to war
strength. Lieutenant Geller last
night expressed himself as being very
much pleased with the prospects.

Nineteen recruits for Companies G
and L have been sent to the border
since last Saturday night, the first
squad of five men leaving that night.
The second squad, of three men, started
Monday night and the third left
last night. There were eleven re-
cruits in the last squad.

The men in the third squad were:
For Company G—Gordon Vick, L.
Newstead, J. H. Vaughn, Karl Willis,
C. J. Miller and A. S. Palmgren.

For Company L—George Bata, L.
S. Torgilla, Willie Gonzalez, C. E.
Sandoval and Paul Ross.

Lieutenant Geller will keep the
recruiting office at the armory open
indefinitely. The office is open from
8 o'clock in the morning until 9
o'clock at night. Not only recruits
from Albuquerque are acceptable but
men from any other city or town in
the state who want to join Company
G or L.

IS IT YOUR KIDNEYS?

Many people never suspect their
kidneys. If suffering from lame-
ness or aching back they think that
it is only a muscular weakness, when
urinary trouble sets in they think it
will soon correct itself. And so it is
with all the other symptoms of kidney
disorders. That is where the danger
lies. You should realize that these
troubles often lead to dropsy or
Bright's disease. An effective remedy
for weak or diseased kidneys is
Doan's Kidney Pills. Residents of
this vicinity are constantly testifying.

"I suffer from kidney trouble," said
St. Santa Fe, New Mex., says: "I
suffered a great deal from pain in my
back and sides. The pain was so
bad at times that I could hardly stand
them. I had headaches, too. I had
heard that Doan's Kidney Pills were
good for these ailments and began us-
ing them. They were just what I
needed. After I used one box, my
kidneys were strengthened and the
backache was cured. I feel better in
every way. Since then, I have used
a few more of Doan's Kidney Pills off
and on and they have kept me free
from kidney complaint."

Price 50c at all dealers. Don't
simply ask for a kidney remedy. Get

Simple Home Treatment
to Remove Hairy Growths

(Beauty Culture.)

Two or three minutes' use of a de-
latone paste will banish every bit of
hair from your face, neck or arms.
This paste is made from mixing some
water with powdered delatone. After
the paste is removed, the skin should
be washed to free it from the remain-
ing delatone and it will be clear and
spotless. You will not be disappoint-
ed with this treatment if you are sure
to obtain real delatone from your
druggist.

NO WHIP
P. RICH SHADES

WHEREIN AEROLUX PORCH SHADES
ARE DIFFERENT AND BETTER

No Whip—The term "No Whip" indicates that the Aerolux Porch
Shade cannot whip or flap in the wind, a patented attachment hold-
ing it securely. If you have used a shade other than the Aerolux,
you will appreciate the superiority of the Aerolux in this respect.
Shade, But Do Not Retard Ventilation—You may draw Aerolux
Shades so as to fully cover porch openings, thus entirely shutting
out the glare of the sun and keeping out the rain without retard-
ing ventilation. The value of this feature on a hot, sticky day
will appeal to you.

See Out But Not In—Openings between the narrow slats of the
Aerolux Shades are just wide enough to permit you to see out at
the same time preventing anyone outside seeing in, thus giving the
privacy of a bed-chamber and still permitting sufficient light and
air to enter.

Special Features—Aerolux shades are equipped with a special
attachment by which they may be raised or lowered from both top
and bottom, simultaneously, leaving any desired opening above and
below at the same time, a particularly desirable feature for sleep-
ing porches.

Aerolux Shades, Then, Are—Beautiful, durable, flexible, cool, multi-
adjustable and economical. The special features of this shade are
patented.
